

## **SELECTION PROCEDURE**

RRB calls for eligible applicants through "Employment News" (A publication of the Government of India). The employment notification is also published on the Internet web site. The applications are scrutinized for eligibility. Eligible candidates are called for a written examination with call letters being sent a month in advance of the date of the examination. Examinations are generally held in Allahabad; if no of candidates is very large exam may be held at Lucknow or other locations as necessary.

If number of candidates is large, the candidates who qualify in the preliminary exam are called for the main written exam, and the merit list is prepared based entirely upon the result of the main exam. In most categories of jobs, there is no interview after the written examination. For a very few specific categories there is a viva after the written exam, while for certain other categories there is a skill test. The application details furnished by successful candidates are verified and they are called for counselling and scrutiny of original documents. A panel of names is then recommended to zonal Railway / Production unit to the extent of vacancies. The candidates will be required to pass a medical examination before appointment.
