

# RAILWAY RECRUITMENT BOARD GUWAHATI

STATION ROAD, PANBAZAR, GUWAHATI – 781001

---

## SELECTION PROCEDURE

RRB calls applications from the eligible applicants through "Employment News"/"Rozgar Samachar" (A publication of the Government of India) for various Technical and non-technical categories as well as Para medical posts in Group 'C' cadre, according to indents submitted by Chief Personnel Officer of N. F. Railway. The Employment Notice is also uploaded on the Internet website (<http://rrbguwahati.gov.in/>). Indicative Notice is also published in prominent National & Local dailies for wide publicity. The applications received in response to such notification are scrutinized for eligibility and the eligible candidates are called for a written examination with call letters being sent a month in advance of the date of the examination. The rejected candidates are also informed through letter citing the reason. The examinations are generally held in various Schools/Colleges/Institutes in Guwahati, Lumding, Tinsukia, Dibrugarh, Alipurduar & Cooch Behar, depending upon the number of candidates.

If the number of candidates is large, the candidates who qualify in the preliminary examination are called for the main written examination, and the merit list is prepared based entirely upon the result of the main examination. In most categories of jobs, there is no interview after the written examination. For few specific categories such as Law Assistant, Teachers, Physiotherapist, Telephone Operator, Senior Publicity Inspector and District Extension Educator, there is a viva-voce after the written examination. For certain other categories there is a skill test like typing test or stenography test. For categories related to operational safety like Assistant Station Master & Assistant Loco Pilot, there is an Aptitude Test for the candidates who have qualified in written test.

The application details furnished by successful candidates are verified and they are called for scrutiny of original documents during Document Verification. A panel of names is then recommended to Zonal Railways to the extent of vacancies. The candidates are required to pass the prescribed medical examination conducted by the Railways before appointment.
